"A Technology Playbook for the Risk Manager"

The speaker for our upcoming meeting will be **Julie Layton, Managing Director and Risk Management Segment Leader at Marsh**, and the presentation will be "A Technology Playbook for the Risk Manager."

How will technology continue to change the future of our companies and industry? Advanced data analytics, automation, artificial intelligence (AI), chat-bots, and the speed of technology are quickly shifting business practices. During this presentation we will explore the futuristic ways in which technology will change the risk landscape and provide practical insights, definition and approaches to managing the future of tech it's risks.

- **Wednesday, February 21st, 2024**
- **Lunch, Meeting & Presentation 11:30 AM**
- **Members \$35, Guests \$40**
- * No-shows will be billed ***

DANIA BEACH IMPROV
177 N. Pointe Drive, Suite J105
Dania Beach

RSVP no later than February 19th to Lglasser@amerijet.com

- ✓ July 18: **Summer Social**
- ✓ July 29 – Aug. 3: Florida RIMS Educational Conference

See the **FULL SCHEDULE** at
www.rims.org/broward/meetings

PLEASE go to the next page

We're always looking for door prize sponsors...

If you're interested in providing a door prize at one of our meetings, please contact us.

This is an easy way to introduce your company and provide a pleasant surprise at the end of our meeting.

Are you interested in ways to promote yourself and your company?

Well, the Broward County Chapter is making plans now for events that will provide that opportunity. Do you have a pencil handy?

❖ **Become a Broward County Chapter Member:**

- There's no better way to have direct access to EVERYONE that participates in our chapter meetings and events. We're also developing the Members Only area of our website, and provide restricted contact information to Members only. PLUS, all of the benefits of national RIMS membership. See our website for more details.

❖ **Come to our meetings and events:**

- Member or Friend... everyone's welcome to join us. Network before, introduce yourself during, and mingle after. There's no better way to become a part of the South Florida risk management community.

❖ **Provide a door prize, and have the opportunity to introduce yourself and your company.**

❖ ***Party at the Marketplace! in March:***

- Be an exhibitor!!! This is your opportunity to show what you've got, at a reasonable price. We're opening this event to the other professional organizations in the tri-county area, and will have complimentary cocktails and food for your potential clients.
Co-sponsor the cocktail hour. All event sponsors will be promoted in our event notices and at the event itself.

❖ **Annual Joint Meeting in May:**

Co-sponsor the cocktail hour. We invite all of the other local risk management-related professional organizations to join us for our April meeting (PRIMA, ASSE, CPCU, Claims Association), so this is a great opportunity to be exposed to a large professional mix. All event sponsors will be promoted in our event notices and at the event itself.

❖ **Annual Charity Auction in September:**

- Co-sponsor the cocktail hour before dinner... your name will be included in our event emails and will be on each table as a way to express our gratitude for your assistance.
Donate an item for auction... your organization's name will be announced at the event, and we'll assemble a list of our donors that will be distributed. PLUS (and most importantly), you'll be helping to care for our kids.

❖ **Holiday Party in December:**

- Be a party sponsor... the information with the sponsorship levels will be posted as the party approaches. As a sponsor you'll be entitled to perks, as well as the recognition that you're due. More sponsors mean a lower price for the party (and our eternal thanks).

Need a job? Need highly skilled professionals?

Check the Job Bank at our website for the details – we have several people that are looking!
